

Aidanfield Christian School

Uniform 2011

All pupils are expected to wear the correct full uniform at school, when travelling to and from school and representing the school at events that require the school uniform to be worn.

If a child is not wearing a regulation school uniform, a signed note from the parent or guardian should be sent to school stating the reasons. This note has to be presented to and signed by the Head of Middle School or Head of Primary School at the start of the school day and then carried by the pupil throughout the day and presented to each teacher.

If the child is not in full school uniform, every effort must be made to wear the same or close to the school colours as possible e.g. shirt for middle school to be white, socks in white, shoes in black. No bright colours are permitted.

Jewellery

No jewellery is to be worn at school by pupils except for watches and a simple single gold or silver ear stud in the lower lobe of a girl's ear. For safety reasons all jewellery must be removed for participation in sport. No other visible piercings are permitted. If you wish to wear jewellery of personal, family, cultural or spiritual significance, your parents will need to seek permission by applying in writing to the principal.

Makeup

Pupils will be asked to remove make up. Coloured nail varnish is not to be worn.

Sun Hats

The pupils are required to wear appropriate brimmed sun hats when outside during summer terms 1 and 4. Hats must shade the face.

Beanies are not permitted during the summer terms.

Beanies, in school colours, have been noted as a winter option.

Hair

Hair should be tied back and off the face.

Hair ties should be in school colours – red, black, white or bottle green.

Summer and Winter Uniform

The summer uniform option is to be worn in terms 1 and 4.

The winter uniform option is to be worn in terms 2 and 3.

Supplier

DUS in Sydenham is the recommended supplier for school specific aspects of the uniform.

Where possible we have included clothing that may be sourced from a number of uniform suppliers.

Postie Plus carries various items.

Monogram

There are two types:

1. Shield without the scroll – jersey
2. Words 'Aidanfield Christian School' in school font – Polar Fleece

The Monogram cost is approx \$5 per item and can be applied to non DUS items on request.

Only the outer layer carries the monogram i.e. the jersey and polar fleece. The polar fleece has the words as opposed to the shield.

Wearing the Uniform

- Shirt must be tucked in at all times.
- For the Middle School Winter uniform, the top button must be closed with the tie neatly pulled up to fit neatly around the neck.
- We request that when parents purchase jackets, Beanies, woollen hats, scarves and gloves that they do so in the school colours of black, red or green. Note: Beanies, scarves, sunhats and school socks and tights are available in school colours.
- Sweatshirts are not acceptable.
- No other tops are to be visible under the school uniform. No colours or writing should be visible.
- Kilt/skirt length is to be long enough to touch the floor when student is kneeling or 15cm from the ground when standing.
- Any socks below or on the ankle bone and/or with colour or writing are not allowed
- Sports shoes, skate shoes or street shoes are not to be worn with the uniform.
- Black school jerseys are **compulsory for all pupils**,
- The school polar fleece is **optional and does not take the place of the jersey**. As a way of working with pupils, the school management group has determined that Year 7 to 10 pupils can choose when to wear polar fleece in classrooms if they wish. We are expecting our older pupils to self regulate as a part of growing up and we will not be instructing them to take the polar fleece off if they have it. However, they must have a school jersey on as the first layer of warmth. Yr 1 to 6 are not allowed to wear the polar fleece in the classroom. We are still teaching self regulation and our younger pupils need to be told to keep warm outside. The classrooms are warm and there should be no need for polar fleeces inside. The advantage in having the polar fleece is that it adds a layer of warmth when younger pupils leave the classroom. No jackets to be worn in the classrooms by pupils. This includes puffer jackets, rain jackets, ski jackets etc.

PE/Sport

- Sports uniforms and polo tops are not to be worn.
- Skate shoes, street shoes, slippers, sandals are **not** considered sports apparel.
- To participate in Sport/ Physical Education without shoes is not acceptable.
- Pupils must change into their full school uniform before they go home unless they have PE or sport in the last two periods. There is no mixing of uniforms. Pupils are either in full school uniform or full PE uniform.

Safety

All clothing must be clearly named.

Cycle helmets are compulsory, if cycling.

Second Hand Uniform

Second hand uniform items are occasionally available. Enquire at the school office.

Boy's Primary School Uniform (Year 0 – Year 6)
