Stationery Lists

2021

Information about Ordering Stationery

This booklet has all the stationery lists for the whole school. You only need to order stationery for the Year that your child is in.

Online Ordering

This year we have again registered with two companies, OfficeMax and Eeny Meeny who you can order your stationery with. Both these companies offer reward schemes that benefit the school. We encourage you to look at both websites for the most competitive price for your stationery.

Please see the enclosed flyers for more information on how you can order. On both websites you are able to 'uncheck' any items that you may already have, ie. Journal bag, calculator etc.

If you choose to buy your stationery independently then please check the attached list carefully to ensure that you are getting the correct stationery. You are able to look on either OfficeMax or Eeny Meeny to check what an item looks like if you are not sure.

Please take note of the cut off delivery dates for ordering online. Stationery cannot be bought from the School Office.

Tissues

This year we are again asking that you provide a box of tissues. This shows on all the stationery lists. Again, if you choose to buy them independently can we ask that you provide a family size box. Thank you.

All stationery (including tissues) must come to school on the first day and be clearly named. Please do not keep any items at home.

Year 9 and 10

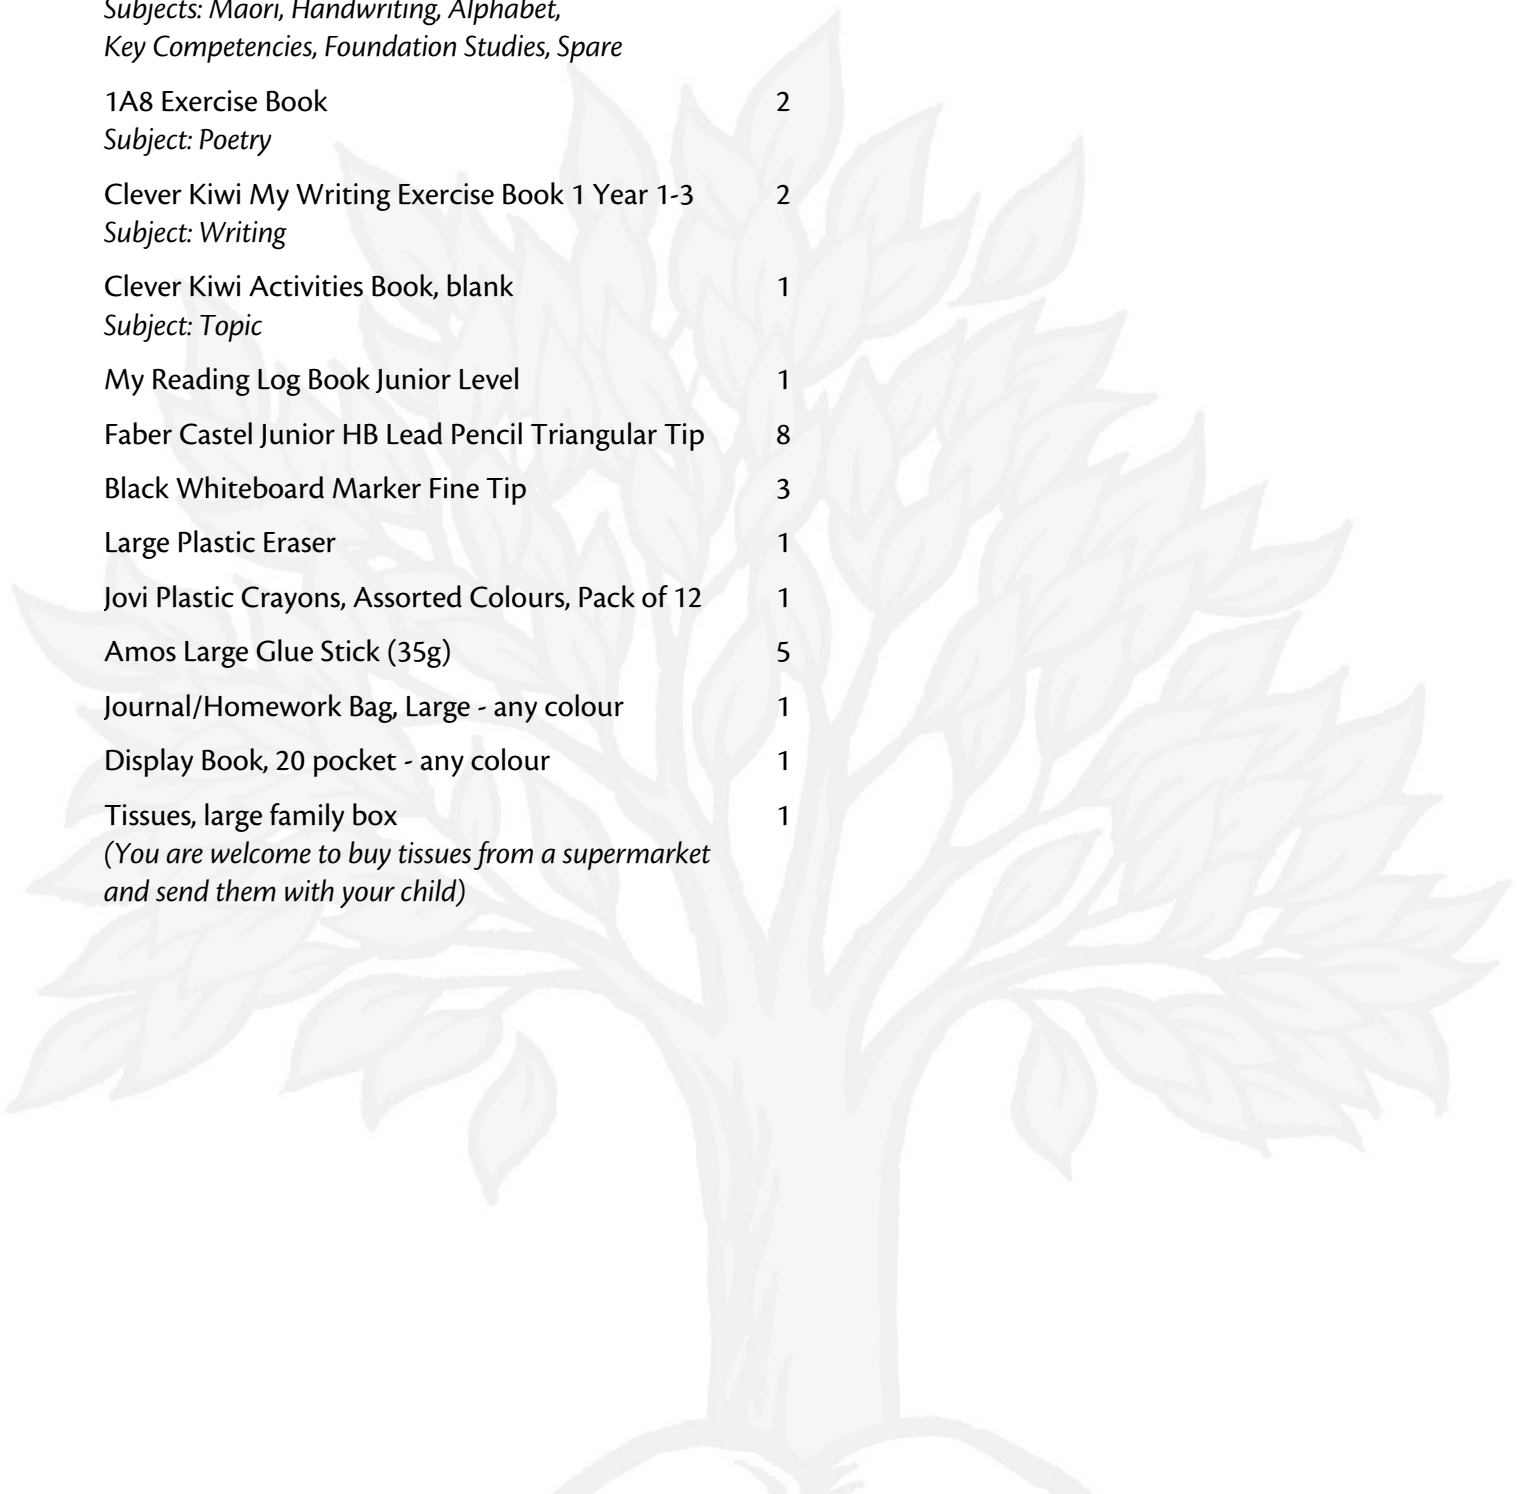

The CEN Technology list is a separate piece of paper and will be included in the information sent home.
