Information about Ordering Stationery

This booklet has all the stationery lists for the whole school. You only need to order stationery for the Year that your child is in. Please take note of the cut off delivery dates for ordering online. Stationery cannot be bought from the School Office.

Online Ordering

This year we have registered with two companies, OfficeMax and Qizzle. Both these companies offer reward schemes that benefit the school. We encourage you to look at both websites for the most competitive price for your stationery. On both websites you are able to 'uncheck' any items that you may already have, i.e., Journal bag, calculator etc.

If you choose to buy your stationery independently then please check the list carefully to ensure that you are getting the correct stationery. You are able to look on either OfficeMax or Qizzle to check what an item looks like if you are not sure.
